TOPIC	DISPOSITION
-------	-------------

<p><i>1. Opening of meeting</i></p>	<p><i>The meeting was called to order by Gloria Humes at 9:10 A.M., and we were welcomed by Assistant Principal, Dr. Wayne Muller.</i></p>
<p><i>2. Minutes</i></p>	<p><i>The minutes of the last meeting were read with one correction and approved.</i></p>
<p><i>3. Program &amp; Curriculum Update by Gloria Humes</i></p>	<p><i>Culinary Operations has been changed to Culinary Arts and will only include 1-4 Commercial Foods and Culinary Arts formerly under Industrial Education will be the same course. Students who complete the 4 years can either continue with dual enrollment at the post-secondary centers or enroll in a directed study course or OJT. For ProStart Industry Certification beginning in 2010-2011 students 400 work hours can be 200 hours on in-school catering and the other 200 hours can be internship at a restaurant/cafeteria and no longer has to be paid work hours. Certified Food Manager (ServeSafe) (NRAEF) is being added to the funding list for Industry Certification 2010-2011 National Professional Certification in Customer Service (National Retail Federation) is being added to the 2010-2011 funding list for Design Services Middle School courses Life Choices, Life Choices and Career Planning and Teen Challenges were deleted from the Perkins IV funding list for not meeting established criteria. Of the 16 state curriculum career clusters Family &amp; Consumer Sciences is in 8 of them: (See handout) AAFCS launches Pre-Professional Assessment and Certification (Pre-PAC) Program (see handout) Four district regions had personnel budget conferences during the first week of June, unfortunately we do have some preliminary program closures: Region I-no changes (possible surplus from Barbara Goleman SHS- ECE) Region II-2 surpluses- Edison Middle and North Miami SHS (CA) Region III-no changes Region IV-2 surpluses-John A. Ferguson (culinary &amp; interior design) &amp; 1 retiree- H.D. McMillan Middle-program closing Region V-3 surpluses-Cutler Ridge Middle, Miami</i></p>

*Palmetto Middle, Miami Southridge SHS (ECE), 2 retirees-Miami Palmetto SHS (CA), South Dade SHS (ECE)*

*Next budget conference scheduled for July and this information is subject to change.*

*ACCOMPLISHMENTS:*

*Heart of a Chef (Florida Heart Research Institute) Coral Gables SHS & John A. Ferguson SHS competed and tied at the first High School "Iron Chef" Competition. Four middle school students also completed in the fruit and vegetable carving competition and Doral Middle placed first, Ransom Everglades placed 2<sup>nd</sup> and third and Drew Middle placed fourth.*

*Miami Central SHS culinary students competed in the Fairchild Challenge (first place) in the green cuisine category. This is 2 years in a row.*

*Sherrol Barnes-Burton, Fashion Design teacher at G. Holmes Braddock organized the Fair Fashion Show this year, and it was one of our best, highlighting Becka's Closet and all schools that entered won in at least one category.*

*Ana Plana, MAST Academy won the 2010 Educator of the Year of the Foodservice Educators Network International (FENI) in the secondary category and attend the Awards Reception of the 2010 FENI Summit in Chicago, IL in February.*

*Chef Creole was the featured Celebrity Chef at Miami Edison SHS Multicultural Week Celebrations in May, Teacher Victoria O'Connor*

*18 Culinary teachers attended this years Summer ProStart Teacher Training Institute at JWU.*

*Congratulations also to Miami Coral Park SHS, Susan Rivera and Miami SHS, Cathy Norris for their in-school restaurants being featured in the ProStart June "Newsbites" newsletter.*

*Barbara Weiss wondered why the cut-back in Pastry & Baking in FLDOE curriculum when the classes at Johnson & Wales are overflowing.*

*Linda Carmona Sanchez suggested we integrate food service and food service practices in child care curriculum*

*with the renewed emphasis on childhood obesity, etc.*

<p><i>Khanuja</i></p>	<p><i>180 students participated in the FCCLA District level competitions</i>  <i>100 students participated at the state</i>  <i>24 students qualified to participate at the national level</i>  <i>12 students will be participating in Chicago July 4-9, 2010</i></p> <p><i>IBM KidSmart grant of \$260,000 was awarded to provide 100 computers to our Early Childhood Education high school programs The grant was written by Ms. Khanuja in collaboration with the Office of Early Childhood Programs.</i></p>
<p><i>5. Betty Caesar</i></p>	<p><i>Ms. Caesar is using the KidSmart computers she received last year from a similar grant and the students are mastering computer skills and could perform Ages &amp; Stages Questionnaire (ASQ's) on-line. Miami Sunset provided CDA (Child Development Associate) certification (\$350.00/student paid for by CTE office). This is a great accomplishment.</i></p>
<p><i>6. Jacqueline Gibson</i></p>	<p><i>Family&amp; Consumer Sciences agent teaches food and nutrition, finance, budget and finance management at Miami Park Elementary; teaches the "On-My-Own" curriculum at Arvida Middle with Ms. Gloria Spann. Works with schools with FHF Net food and nutrition, NFL gardening project for super bowl in January.</i></p>
<p><i>7. Barbara Weiss</i></p>	<p><i>This September will be the largest incoming classs at the Johnson &amp; Wales North Miami campus. Cost equals other schools with no application fee, \$115 million awarded to students. Baking &amp; Pastry classes are off the wall. New student Center being built in 1&amp;1/2 years in Biscayne Commons. J&amp;W is not just a culinary school; they also have a criminal justice program that is growing, business, hospitality, golf management with 18 local golf courses committed to allow students to play as well as Army ROTC.</i></p>
<p><i>8. Allyson Bentley for Carol Chong</i></p>	<p><i>The department of Food &amp; Nutrition's supply of USDA commodities is decreasing. There will be more pre-packaged, processed foods available, i.e. turkey, ham, &amp; turkey. The districts wellness policy is posted on the website.</i></p>
<p><i>9.. Narcisco Macia</i></p>	

<p>10. Carlos Ramirez</p>	<p><i>Hispanic Food &amp; Beverage Foundation awarded scholarships to high school students. Providing supplies, mentoring students through Performance Foodservice Empire seafood division on the distribution side for Miami and Hialeah senior high schools.</i></p>
<p>11. Linda Carmona-Sanchez</p>	<p><i>AOHT graduate. Volunteers with Hispanic Food and Beverage Foundation. A graduate of Miami Springs high school and is promoting community involvement through Performance Foodservice.</i></p> <p><i>President and CEO of Alliance for Early Care and Education representing 1200 private licensed child care providers. Provides membership, advocacy programs and services., March to Tallahassee to oppose VPK cuts, helped to get cuts to ½ a percent. Early Childhood Coalition opposed Judge Lederman's ruling to eliminate afterschool care funding. The decision was rescinded. Received a \$75,000 grant from South Florida Workforce for door to door interviewing of providers compensation package. AA degree required by 2018-quality increase-minimum wage-fair compensation-certified provider of first aide and CPR training. Transition to kindergarten training-oral literacy program-financial management-develop your child care business. FDLE offer fingerprinting at a reduced rate before start of work. Call for in-service training in any of these areas. It is not a good time to get into the child care business. Businesses are funded through the child development block grant with the highest reimbursement rate of \$2.11/child/hour for infant/toddler group. Cannot have credentialed employees at that rate. For a private business to succeed you have to have solid a business plan and financial management.</i></p>
<p>12. Monica Dawkins</p>	<p><i>Passed out extension Newsletter that is sent electronically to FACS teachers. Discussed the grants available from the CDC, Michelle Obama's Childhood Obesity Project-Fresh fruits and vegetables with specific emphasis on Mom &amp; Pop corner stores. The Florida Department of Agriculture and Extension are providing access to healthier foods and assisting stores with placement of fresh produce in the stores. The grants are not for developing programs but enhancing; putting communities to work in 44 cities and states; Miami-Dade County</i></p>

	<p>received 14.6 million. School wellness and worksite wellness projects as well. USDA grant with UM Pediatric Research Dept Childhood Obesity Role Modeling-Expanded Food &amp; Nutrition program curriculum involving Kidco and Headstart. War on Poverty-Jacksonville building healthy communities focusing on going into schools. OpaLocka is the only community in Miami-Dade County that does not have a major supermarket. Three elementary and 2 middle schools setting up school gardens. Volunteer horticulturalist will be available to answer questions. FMU students is providing interns. "OrganWise" guides along with Organ Anne and Organ Andy will be used in PreK-second grade.</p>
<p>13. Nura Gonzalez</p>	<p>Dr. Michelle Lombardi developer does initial training. The program is expensive and is available to public schools.</p>
<p>14. Marvick Melendez</p>	<p>Nutrition and Dietetic Services program at Lindsey Hopkins teaches students to work in area hospitals and nursing homes. Lindsey just finished their COE evaluation and all 3 of our programs received commendable evaluations. N&amp;D has it's own advisory board. This is the only program in the state and has existed for over 30 years, 18 of those years has been taught by Ms. Gonzalez.</p>
<p>15. Lo Doughty</p>	<p>San Ignacio College is a small college that admits only 14 students per classroom. Has culinary, business, hospitality &amp; tourism, marketing, baking and pastry programs. Works with Workforce, vocational rehabilitation Camillus House and DVR program assisting people transition to living on their own. DVR provides full scholarships. A.A. degree accredited and cost less than \$5,000 to attend. Works with local hotel and restaurants for placement and interships. Placement is a big issue. The students operate Don Ignacio Restaurant with a Peruvian theme.</p>
<p>16. Tatiana Ortiz (Dietetic</p>	<p>Gearing aback on ECPC (Early Childhood Professional Certification), conducting mainly DCF (Department of Children and Families) testing 1,067 students in Early Childhood 2 &amp; 3 were tested. Students book the test through Miami Dade College. \$13, 887 in testing fees was collected from the high schools, the funds will provide for the printing of high school modules by Miami Dade College.</p>

<p><i>Intern with FNEP)</i></p>	<p><i>2006 graduate with a B.A. degree in Dietetics and Nutrition and an M.S. degree in Exercise Physiology. Worked for WIC for 2 &amp; ½ years as an educator. Future goal is to incorporate nutrition program with exercise and government assistance.</i></p> <p><i>Meeting adjourned at 11:45 AM Next meeting to be announced.</i></p>
